

## NORDANIA LEASING FACT SHEET

### History - Landmarks

- 1966: Nordania Leasing is established by Københavns Handelsbank A/S and FLS Overseas A/S on November 18.
- 1990: Den Danske Bank acquires Nordania through a merger with Handelsbanken and Provinsbanken.
- 2001: Nordania merges with BG Finans and BG Erhvervsfinans. The company retains the name Nordania.
- 2008: On April 1 Nordania is divided into two separate entities - Nordania Leasing and Danske Leasing.

### Primary Business Areas and Activities

Nordania Nordania is Denmark's leading provider of leasing solutions. The company's main business areas are

- Car leasing, including vans (small businesses)
- Fleet management solutions (leasing car fleets to medium-sized and large businesses)
- Truck leasing (including leasing of individual trucks and fleet management)
- Vendor car finance.

### Ownership and Management

- Nordania is a part of the Danske Bank Group and a division of Danske Bank.
- Henrik Bech-Hansen is the managing director of Nordania. He also chairs the leasing-division of the industry association, Finans og Leasing ([www.finansogleasing.dk](http://www.finansogleasing.dk)).

### Key Figures

- In 2008, Nordania set up new leasing contracts worth approx. Dkr. 4.6 billion.
- By the end of 2008 Nordania had made leasing contracts worth Dkr. 11.4 billion.

### Staff

- Nordania Leasing employs a staff of 200 in total, working either at our head office in Birkerød or at the regional office in Vejle.
